# JOIN-N . . .

It was in 1997 that a small group of citizens/business people met at Jefferson College with a vision.

That vision was to create an organization dedicated to keeping the citizens of Jefferson County informed via the internet of services and information available to them.

Since that first organizational meeting, **J**efferson County **O**nline **I**nformation **N**etwork, Inc. has evolved into a wealth of information for county residents and folks seeking information about Jefferson County when thinking about moving or doing business here.

Whether at home, at work or at a public computer, local citizens are able to find the information that is important to them.

Many visitors are seeking obituary and genealogy information, pet adoption, children's sites.

There are links to City, County, State and Federal governments, county schools, churches, entertainment, news media and much more.

Starting a business or need help with yours? JOIN-N has good business resources.

The **JOIN-NEWS** is an e-newsletter sent to all members bi-monthly. It is also linked from the home page and from Facebook. Members are given as much exposure as possible.

The online **Community Resource Directory** holds a wealth of information for residents seeking social/government aid. It is updated regularly.

JOIN-N is manned by a dedicated group of volunteers who work to keep the web site updated and are always looking for new information to post.

JOIN-N visitors take advantage of the wealth of information provided at [www.jeffersoncountyonline.org](http://www.jeffersoncountyonline.org) or [www.join-n.org](http://www.join-n.org).

Visitors have come from as far away as New Zealand.

Memberships help publicize the web site, which in turn publicizes your business or organization. We hope you will renew your membership this year.

**JOIN-N business/organization members are listed by category in the membership directory. E-mail address, web site and a short description of what the business or organization does is also provided.**

**If you are not a member we encourage you to become one and help spread the good news about Jefferson County. Participate in your community and become a member of this great organization.**
